

MISSOURI DEPARTMENT OF HIGHER EDUCATION

Student Ambassador Search

The Missouri Department of Higher Education is recruiting 10 students to serve as ambassadors and appear in publications and videos and on websites and social media sites that help thousands of students prepare for college each year. We are looking for a variety of students — male and female, rural and urban — who represent today's college students.

Selected students will participate in a group photo session on Sept. 25 to get a variety of indoor and outdoor shots. Photographs and information about each student will be used in a number of publications and promotional materials.

Please send this completed application and one or more digital photographs, taken within the last three months, to **dawn.sees@dhe.mo.gov by Monday, Sept. 5.**

Name: _____

School attending: _____

School address: _____

Home address (if different): _____

Phone: _____ Email: _____

Height: _____ Age: _____ Year in school: _____

Major: _____ Minor: _____

School activities/hobbies: _____

What motivated you to attend college?

Why are you interested in becoming a Student Ambassador?
